Remarks

The Final Office Action mailed November 26, 2003 has been received and the Examiner's comments carefully reviewed. Prior to entry of this paper, Claims 1 - 26 were pending. Claims 1 - 7, 12 - 15, 17-19, and 23 were rejected. In this paper, Claims 1, 9, 12, 18, 20, 21, 22, 24 and 25 have been amended, and Claims 8, 16, 17 and 26 have been cancelled. No new subject matter has been added. For at least the following reasons, Applicants respectfully submit that the pending claims are in condition for allowance.

Claims 8, 9, 10, 11, 16, 20-22, and 24-26 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The Applicants agree that the claims are allowable and has made appropriate amendments to overcome the minor objections as will be described below.

Claim 1 has been amended to include the limitations of claim 8, which was indicated as allowable. Claim 8 has been cancelled since the limitations of claim 1 are now found in amended Claim 1. It is respectfully submitted that claim 1 as amended is in condition for allowance and notice to that effect is respectfully requested.

Claim 9 has been amended to properly depend from claim 1 (which now includes the limitations of claim 8) and not to overcome any basis of rejection since it was already indicated as allowable. Claims 2 - 7 and 9 - 11 depend from claim 1, which is now believed to be in proper form for allowance. It is respectfully requested that a notice of allowance be issued with respect to dependent claims 2 - 7 and 9 - 11.

Claim 21 has been rewritten in independent form to include all of the limitations of claim 1, from which it previously depended. It is respectfully submitted that Claim 21 as amended is in condition for allowance and notice to that effect is earnestly solicited.
